Read - the following

Letter from M. Karamatullah Esquire, I.C.S., Collector of South Kanara, No. D.Dis. 8789/41, dated 25th February 1942.

REFERENCE:-

Submitted to the Government.

2. Under Section 6(c) of the canals and Public Ferries Act, fees can be levied only for the use of jetties. It is

stated

stated that there is no jetty at the Chandragiri ferry and that the jetties at Kalki and Pavanji ferries are in disrepair. The proposal is thus going to lead to - attempts to collect fees from persons who lands goods from private boats not on the regular jetties but on the banks within the notified limits of the ferries and this procedure is not warranted by the Act. Further no one will use the jetty when he can use the bank alongsi

The Board is therefore unable to recommend the propos for acceptance.

Sir,

Ferries - South Kanara District - Levy of fees for loading and unloading goods - Canals and Public ferries Act 1890 - Sec. 6(c) - Application - Report submitted.

G.O.No.Ms.2045 P.W.D, dated 21-8-1941.

I enclose the application of the District Board, South Kanara for sanctioning the levy of fees at certain ferry jetties in the District, with effect from 1-4-1942, under Sec.6(c) of the Canals and Public Ferris Act, 1890.

2. The rates of fees proposed by the District Board are reasonable and acceptable. Enquiries, however, go to show that at the Chandragiri ferry no jetties have been provided by the District Board for loading and unloading goods from boats especially during the low-tide when water recedes into the river bed, and that the jetties at the Mulki and Pavanje ferries are out of repairs and not being maintained well. I am of the opinion that the fees may be levied at these ferries after the District Board provides them with proper jetties and maintains them in good order

p.9. Please see Gos No. 2045 P&V dt 21-8-41, the P.D.B's letter on pp 3-6 ct. and the remarks of the Board of Rev at pp 1-2 ct. The system of levying fees at the ferry jetties for loading and unloading goods conveyed in private boats from or to a point outside the ferry limits has not been in vogue in the South Kanara dt. It would appear from A on p 2 ct. that the banks alongside the can be used for loading and unloading purposes and that the proposal will lead to collection of fees unwarranted by the Act. is for orders whether the Proposal which not recommended by the Board may be negatived.
